AGREEMENT

The Board of Directors of the Marshalltown Community School District in the County of Marshall, State of Iowa (hereinafter referred to as the "Board") and the Chauffeurs, Teamsters & Helpers, Local No. 238 (hereinafter referred to as the "Union"), on behalf of the Union and on behalf of the Employees in the bargaining unit recognized and described in Article I of this Agreement, agree as follows:

ARTICLE I **RECOGNITION**

Section 1. The Board hereby recognizes the Union as the certified and exclusive bargaining representative for the purpose of collective bargaining for all Employees of the Board described in the Public Employment Relations Board Certification issued in Case No. 1126 on April 14, 1978, which designation includes all custodial and maintenance personnel assigned to the Buildings and Grounds Department, including head custodians, assistant head custodians, engineers, night custodial foremen, custodians-secondary, custodian-engineers, custodians-elementary, summer crew foremen, mechanical maintenance supervisors, buildings, furnishings and maintenance supervisor, receiving and warehouse supervisor, maintenance foremen, carpenters and utility person; and all mechanics assigned to the Department of Transportation and excludes the following: office clerical employees, bus drivers, academic and administrative employees, professional employees, supervisors and other personnel excluded by the Public Employment Relations Act. Throughout this Agreement, whenever the terms "Employee" or "Employees" are used, they shall refer to Employees within the bargaining unit, unless otherwise noted.

Section 2. The Union recognizes the Board as the duly elected representative of the people and agrees to negotiate only with the Board through the negotiating agent or agents officially designated by the Board to act in its behalf.

Section 3. The Employer agrees not to enter into any agreement or contract with its Employees, individually or collectively, which in any way conflicts with the terms and provisions of this Agreement. Any such agreements shall be null and void.

ARTICLE II **NON-DISCRIMINATION**

Section 1. (a) There will be no discrimination against, interference with or restraint or coercion of any Employee by the Board because of an Employee's membership in the Union or because of his activities on behalf of the Union that are lawful and not in violation of this Agreement.

(b) Neither the Union, nor its representatives, nor the Employees represented by the Union will discriminate against, interfere with, intimidate or coerce any Employee because of such Employee's exercise of his right to join or refrain from joining the Union or to engage or refrain from engaging in Union activities, under state law.

(c) The Union, its representatives, and the Employees represented by it will not engage in solicitation for Union membership or collection of Union dues, initiation fees or assessments during

working hours and will not engage in any other Union activities during working hours, except as provided for by law or by the terms of this Agreement.

Section 2. Neither the Board nor the Union will discriminate against any Employee or applicant for employment on account of age, race, creed, color, sex, sexual orientation, gender identity, national origin, religion or disability of such applicant or employee, all as provided by law.

Section 3. Whenever in this Agreement reference is made to the male gender, it shall also be deemed to include, where applicable, the female gender.

ARTICLE III **GRIEVANCE PROCEDURE**

Section 1. A grievance is a difference of opinion between the Board and an Employee, or a group of Employees, or between the Board and the Union with respect to the meaning, interpretation or application of any term or terms of this Agreement. A grievance must be presented to the appropriate supervisor in accordance with the following procedures not more than five (5) working days after the occurrence of the event giving rise to the grievance or it shall be considered waived, unless a different time limit is specifically provided for in this Agreement for a particular type of grievance.

Section 2. (a) The failure of an Employee (or, in the event of an appeal to arbitration, the Union) to act on any grievance within the prescribed time limits, will act as a bar to any further appeal and a supervisor's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. The time limits, however, may be extended by mutual agreement.

(b) It is agreed that any investigation or other handling or processing of any grievance shall be conducted during non-work time and so as to result in no interference with or interruption whatsoever of the normal work activities of the grievant or other Employees.

Section 3. Grievances will be handled in accordance with the following procedures:

(a) **First Step.**

An attempt shall be made to resolve any grievance in informal verbal discussion between the grievant and his or her supervisor. In the case of maintenance and custodial personnel, the supervisor is the individual designated as "Director of Buildings & Grounds." In the case of mechanics assigned to the Department of Transportation, the supervisor is the individual designated as "Director of Transportation." In the case of custodial personnel regularly assigned to a particular school building, the principal or, in his absence, the assistant principal or other individual acting for the principal, will also be deemed to be a supervisor of such custodial personnel, but will not be deemed to be a "supervisor" for the purpose of processing a grievance through the grievance procedure. At the discussion of the matter with the supervisor, the grievant, if he desires, may be accompanied by his or her Steward.

(b) **Second Step.**

If the grievance cannot be resolved informally, the aggrieved shall file the grievance, in writing, using the grievance form, Exhibit A, and, at a mutually agreeable time, discuss the matter with the supervisor. The supervisor in the case of custodial personnel and maintenance personnel is the

Director of Buildings and Grounds and in the case of transportation mechanics, the supervisor is the Director of Transportation. The written grievance shall state the nature of the grievance, shall state the specific clause or clauses of the Agreement alleged to be violated and shall state the remedy requested. The filing of the formal written grievance at the Second Step must occur within ten (10) calendar days from the date of the occurrence of the event giving rise to the grievance or the grievance shall be considered waived. At the discussion of the matter with the supervisor, the grievant, if he desires, may be accompanied by his Steward, or, if he is not available, by the Chief Steward. The supervisor shall make a decision on the grievance and communicate it in writing to the grievant within five (5) calendar days after receipt of the grievance.

(c) **Third Step.**

In the event a grievance has not been satisfactorily resolved at the Second Step, the grievant shall file, within five (5) calendar days of the supervisor's written decision at the Second Step, a copy of the grievance with the District Director of Business Operations. Within ten (10) calendar days after such written grievance is filed with the District Director of Business Operations, the aggrieved and, if he desires, the Chief Steward and/or Business Agent of the Union and the District Director of Business Operations, or his designee, shall meet to attempt to resolve the grievance. Such meeting shall also be attended by those supervisors who were involved at the First Step and Second Step of processing the grievance. The District Director of Business Operations, or his designee, shall file an answer within ten (10) calendar days of the Third Step grievance meeting and communicate it in writing to the grievant and the Union.

(d) **Fourth Step.**

In the event the grievance is not satisfactorily resolved at the Third Step, there shall be available a Fourth Step of impartial arbitration. The Union may submit in writing a request on behalf of the Union and the grievant to the District Director of Business Operations within ten (10) calendar days following receipt of the Third Step answer to enter into such arbitration. The arbitration proceedings shall be conducted by an arbitrator to be selected by the two (2) parties within ten (10) calendar days after said notice is given. If the two (2) parties fail to reach agreement on an arbitrator within ten (10) calendar days, the Federal Mediation & Conciliation Service will be requested to provide a panel of five (5) arbitrators. Each of the two (2) parties will alternately strike one (1) name at a time from the panel list until only one (1) shall remain. The remaining name shall be that of the arbitrator. The arbitrator shall have authority only to interpret and apply the provisions of this Agreement and to decide the particular grievance submitted to him. He shall not have authority to add to, delete from or in any way modify, alter or amend any provisions of this Agreement. The fees and expenses of the arbitrator shall be borne equally by the Board and the Union.

(e) The time limits set forth above may be extended, at any step of the grievance procedure, by mutual agreement of the parties, provided that the request for an extension is made before the expiration of the original time limits.

Section 4. If the Union or any Employee files any claim or complaint in any forum other than under the grievance procedure of this Agreement, then the Board shall not be required to process the same claim or set of facts through the grievance procedure. Neither the Union, the Board, nor any Employee shall release information to the public media concerning a grievance until the grievance has reached the Fourth Step in the grievance procedure.

Section 5. An Employee shall be discharged or suspended only for proper cause. Before an Employee who has been suspended or discharged is required to leave the premises, the Chief Steward shall be summoned to an office designated by the Board for the purpose of being notified of the suspension or discharge and for the purpose of hearing the Employee's statement of his position. It is understood that this meeting does not constitute a Step in the grievance procedure. Any grievance involving the suspension or discharge of an Employee must be filed in writing within three (3) working days after the suspension or discharge occurs, and any such grievance shall start at Step 3 of the grievance procedure. This section shall not be applicable in the case of suspension or discharge of a probationary Employee.

ARTICLE IV **REPRESENTATION**

Section 1. In the administration of this Agreement, the Union shall be represented by one (1) Chief Steward and by four (4) other stewards, one (1) representing day custodial personnel, one (1) representing night custodial personnel, one (1) representing maintenance personnel and one (1) representing Department of Transportation mechanics.

Section 2. Within ten (10) days following the signing of this Agreement, the Board shall notify the Union in writing of its supervisory setup, insofar as the administration of this Agreement is concerned, and the Union shall notify the Board in writing of the names of its five (5) stewards. Both parties agree to keep the other party informed in writing of changes in these designations.

ARTICLE V **WAGES**

Section 1. All Employees shall be compensated on the basis of their years of service with the District and the labor grade to which assigned, with the exception of those hired to start in Grades 5 or 6 who may be compensated at more than the starting rate for the position for which hired, as described on Exhibit C.

Section 2. The applicable wage rates and longevity schedule are set forth on Exhibit C attached hereto, which by this reference thereto is made a part hereof.

Section 3. When the Board proposes to install a new job classification or to revise an existing job classification, it shall promptly notify the Union of the title, duties, requirements and responsibilities of such new or revised classification, and of the Labor Grade in which the Board proposes to place such new or revised classification. The Union shall have ten (10) working days from the date of such notification to advise the Board in writing of any objections to the Labor Grade proposed by the Board for such new or revised classification; and if no objection is raised by the Union within this period, the Labor Grade proposed by the Board will be considered correct for the new or revised classification. If the Union does raise an objection and if the matter is not settled by mutual agreement within five (5) working days after the Union has advised the Board in writing of its objection to the Board's proposed Labor Grade for the classification, the matter may be taken up through the grievance procedure, commencing with Step 3. During the period that the procedures herein outlined are being followed, the job classification will operate at the rate range of the Labor Grade proposed by the Board; but if such rate range is adjusted through the procedures herein outlined, the adjustment will

be made retroactive to the commencement of work in the new or revised classification.

ARTICLE VI
MISCELLANEOUS

Section 1. Should any portion of this Agreement be rendered invalid by Legislative act or declared illegal or invalid by a court of competent jurisdiction, then such invalid or illegal provision shall be deleted from this Agreement, to the extent that it violates the law, and the remainder of the Agreement shall continue in full force and effect.

Section 2. This Agreement shall become effective as of July 1, 2021 and will continue in effect through June 30, 2022.

IN WITNESS WHEREOF the parties hereto have caused this Agreement to be signed by their respective representatives, on the 15th day of June, 2021, but effective July 1, 2021.
