Student of the Week: Recognition to students who have exhibited positive Bobcat behavior and/or reached an exceptional academic achievement has been provided through Student of the Week. This award is accompanied with a Certificate of Appreciation and reserved front row parking in the staff lot. Staff are nominated by their peers and students for recognition. Reserved parking is made available to Students and Staff of the Week. Week of:

Sept 3: Carissa King, Derrick Garth, Jonathan McKeever, Madi Finch; Sept 10: Tiara Chavez, Elizabeth Ramirez, Candelaria Arevalo, Page Bragg; Sept. 17: Connor Allen, Carson Potter, The Ha, Phoebe Hermanson **Congratulations, students!**

Intervention Time: The daily schedule was changed this year to reflect a 25 minute time during the school day to deliver various curriculum related to digital citizenship, college/career readiness, violence prevention including bystander behaviors, positive behavior supports and academic intervention/enrichment. This might be reteaching, homework help, re-test, lab preps, team meetings, vocal/instrumental practice and more. Ask your child which academic interventions or enrichments he/she has chosen.. School data from implementation of intervention shows drops in failures.
