AGREEMENT

The Board of Directors of the Marshalltown Community School District in the County of Marshall, State of Iowa (hereinafter referred to as the "Board") and the Marshalltown Education Association, an affiliate of the Iowa State Education Association and the National Education Association (hereinafter called the "Association"), on behalf of the Association and on behalf of the Employees in the bargaining unit recognized and described in Article I of this Agreement, agree as follows:

ARTICLE I RECOGNITION

Section 1. The Board hereby recognizes the Association as the certified, exclusive and sole bargaining representative, for the purpose of collective bargaining for all employees of the Board described in the Public Employment Relations Board certification issued in Case No. 116 on May 27, 1975, which designation includes duly certified classroom teachers, counselors, librarians, school nurses and special resource personnel and excludes the following: Superintendent, Assistant Superintendents, Principals, Assistant Principals, Department Coordinators, Dean of Students, Director of Human Resources, Director of Learning, Director of Special Programs, Director of Buildings & Grounds, Director of Business and Finance, Director of Transportation, Director of Communications, Director of Food and Nutrition Services, Director of Technology, Athletic Director, paraprofessional staff, custodial and maintenance personnel, food service personnel, transportation department personnel, office clerical employees, supervisors and other personnel excluded by the Public Employment Relations Act. Throughout this Agreement, whenever the terms "Employee" or "Employees" are used, they shall refer to Employees within the bargaining unit, unless otherwise noted.

Section 2. The Association recognizes the Board as the duly elected representative of the people and agrees to negotiate only with the Board through the negotiating agent or agents officially designated by the Board to act in its behalf.

Section 3. It is recognized by the Board and the Association that in view of the provisions of this Article I, Board Policy No. 400.1 shall be of no further force or effect.

ARTICLE II GRIEVANCE PROCEDURE

Section 1. A grievance is a difference of opinion between the Board and an Employee or a group of Employees, or between the Board and the Association, with respect to the meaning, interpretation or application of any term or terms of this Agreement.

Section 2. (a) Every Employee covered by this Agreement shall have the right to present grievances in accordance with these procedures. In the event a grievant does not wish the Association to represent the grievant, a representative of the Association may, nevertheless, be present at the second, third and fourth steps of the grievance procedure.

(b) The failure of an Employee (or, in the event of an appeal to arbitration, the Association)

to act on any grievance within the prescribed time limits, will act as a bar to any further appeal and an administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. The time limits however, may be extended by mutual agreement.

(c) It is agreed that any investigation or other handling or processing of any grievance shall be conducted so as to result in no interference with or interruption whatsoever of the instructional program and related work activities of the grievant or other Employees.

Section 3. (a) First Step.

An attempt shall be made to resolve any grievance in informal verbal discussion between the grievant and his or her principal.

(b) Second Step.

If the grievance cannot be resolved informally, the grievant shall file the grievance, in writing, using the grievance form, Schedule D, and, at a mutual agreeable time, discuss the matter with the principal. At this discussion, the grievant may be accompanied by a representative of his/her choice, if the grievant so desires. The written grievance shall state the nature of the grievance, shall note the specific clause or clauses of the contract alleged to be in question and shall state the remedy requested. The filing of the formal written grievance at the second step must be within ten (10) school days from the date of the occurrence of the event giving rise to the grievance or the grievance shall be considered waived; provided, however, that if the Employee can establish that he/she did not know and should not have known of the occurrence of the event giving rise to the grievance within such period of ten school days, the grievance can be filed within five (5) school days after the Employee knows or should have known of the occurrence of the event, but in no case may the grievance be filed later than twenty (20) school days after the occurrence of the event giving rise to the grievance. The principal shall make a decision on the grievance and communicate it in writing to the grievant and to the superintendent within ten (10) calendar days after receipt of the grievance.

(c) Third Step.

In the event a grievance has not been satisfactorily resolved at the second step, the grievant shall file, within five (5) school days of the principal's written decision at the second step, a copy of the grievance with the superintendent. Within ten (10) school days after such written grievance is filed, the aggrieved and, if he/she desires, a representative of his/her choice and the superintendent or his designee shall meet to resolve the grievance. The superintendent or his designee shall file an answer within ten (10) school days of the third step grievance meeting and communicate it in writing to the grievant, the Association, the principal and the Board.

(d) Fourth Step.

If the grievance is not resolved satisfactorily at step three, there shall be available a fourth step of impartial arbitration. The Association may submit in writing a request on behalf of the Association and the grievant to the superintendent within ten (10) school days from receipt of the step three answer to enter into such arbitration. The arbitration proceedings shall be conducted by an arbitrator to be selected by the two parties within ten (10) school days after said notice is given. If the two parties fail to reach agreement on an arbitrator within ten (10) school days, the Federal Mediation and Conciliation Service will be required to provide a panel of five arbitrators. Each of

the two parties will alternately strike one name at a time from the panel list until only one shall remain. The remaining name shall be that of the arbitrator.

The fees and expenses of the arbitrator shall be shared equally by the Board and the Association.

The arbitrator shall have authority only to interpret and apply the provisions of this Agreement and to decide the particular grievance submitted to him/her. He/She shall not have authority to add to, delete from or in any way modify, alter or amend any provisions of this Agreement. The decision of the arbitrator shall be submitted to the Board and the Association and shall be final and binding on the parties.

Section 4. Group Grievance. If a grievance affects a group or class of Employees because of the existence of the same facts and issues, the Association may initiate such grievance by submitting the same in writing to the superintendent or his designee and the processing of such a grievance shall be commenced at step three. No individual Employee shall have any right to file or process a grievance on any issue which is the subject of a group grievance filed by the Association under this Section 4.

Section 5. Year-End Grievance. In the event a grievance is filed at such time that it cannot be processed through the first three steps in the grievance procedure by the end of the school year, the time limit set forth above shall be proportionately reduced at each step of the procedure so that processing of the grievance through the third step can be accomplished not later than twenty (20) calendar days after the end of the school year.

Section 6. Neither the Association, the Board, the Administration, nor an Employee shall release information to the public media concerning a grievance until the grievance has reached the fourth step in the grievance procedure.

Section 7. No reprisals shall be taken by the Board or by any member of the Administration against any party in interest, any representative, any member of the Association, or any other participant in the grievance procedure as a result of participating in the grievance procedure.

ARTICLE III **OTHER PAYROLL DEDUCTIONS**

Section 1. Upon appropriate written authorization from the Employee, the Board shall deduct from the salary of any Employee and make appropriate remittance for contributions to the Marshalltown School Foundation, United Way, for the Employee's share of group hospital and surgical insurance premiums, for premiums for tax-sheltered annuities, and for any other plans or programs jointly approved by the Association and the Board. Payroll deductions for tax-sheltered annuities shall commence within forty-five (45) days following receipt, by the Business Office, of the Employee's authorization.

Section 2. Employees extending authorization for any payroll deduction may rescind such authorization for any or all deductions by giving the Business Office a thirty (30) day written notice. Payroll deductions in such event shall be discontinued as of the second payday following

receipt by the Business Office of the notification of rescission.

ARTICLE IV **LEAVES OF ABSENCE**

Section 1. Public Office. A leave of absence without pay and without the continuation of any fringe benefits, not to exceed six years, may be granted to an Employee upon application, for the purpose of permitting such Employee to serve in an elective public office at the state or national level. Upon return to employment following the completion of such leave, any sick leave and any unused personal leave accrued by the Employee prior to such leave shall be reinstated and the Employee shall resume the same position on the salary schedule as he/she occupied at the commencement of such leave.

ARTICLE V **EMPLOYEE WORK YEAR**

Section 1. Contracts with certified personnel shall be in writing and shall state the length of time the contract is in force, the total compensation for the contract period, together with the schedule of periodic payments. Such contract shall be approved by the Board, signed by the Employee, president and secretary of the Board and filed with the secretary. Teachers' contracts will extend over a period of one hundred ninety (190) days. Such days may be used for teaching, for parent-teacher conferences, workshops, institutes, conventions, etc., as the Board may determine, but one (1) of such days shall be a non-mandatory teacher preparation day. No parent-teacher conference and/or report cards will be required until completion of the equivalent of one-half (1/2) work day near the end of the nine-week reporting period.

Section 2. The Board shall promptly notify the Association and each Employee as to the vacation periods during the 2021-2022, 2022-2023, and 2023-2024 school years as soon as the school calendar has been set for that year.

ARTICLE VI **EMPLOYEE HOURS AND LOAD**

Section 1. The normal hours of building operation shall be from 8:00 a.m. to 4:00 p.m. on Monday through Thursday and from 8:00 a.m. to 3:30 p.m. on Friday, and, unless other arrangements have been made with the principal, teachers are expected to be present in their respective buildings during such hours. Variations or changes in such hours of operation may be made by the Administration as may, in its discretion, be necessary or convenient to carry out the objectives or to satisfy the needs of a particular program or programs. All such changes shall be reported to the superintendent. The Administration shall also have the authority and discretion to schedule meetings, supervisory duties or extracurricular assignments during the regular school day and at times other than between the hours of 8:00 a.m. and 4:00 p.m.; provided, however, that if parent-teacher conferences are scheduled, on a building-wide basis, during other than the normal school day, teachers participating in such scheduled conferences shall be entitled to be absent on an in-service day for a period of time equal to the period of time scheduled for the conferences; and provided further that Employees shall not be required to serve on District committees and, if an

Employee refuses to serve, such refusal shall be without any prejudice to the Employee in connection with other employment rights and responsibilities.

Section 2. (a) Supervisory assignments outside of the normal hours of building operation pertaining to athletic and fine arts programs may be made in the discretion of the Administration as necessary to meet the requirements of such programs. Before requiring an Employee to fill more than two (2) such assignments during any one school year, an effort will be made to obtain suitable volunteers therefor and no Employee shall be required to perform more than three (3) such assignments during any one school year.

(b) An Employee shall not be required to accept a supervisory assignment during the Thanksgiving, Christmas and Spring Break vacation periods but an Employee who consents to such an assignment will receive double credit against the required supervisory assignments provided for herein.

(c) Employees may, with the consent of the building principal, exchange supervisory duties or assignments or make arrangements with other Employees if notification of such changes is given to the building principal or his/her designee in advance of the event.

(d) Part-time Employees shall be assigned supervisory duties prorated on the basis of contracted employment.

(e) Employees teaching in the elementary level shall not be required to accept assignments outside of the elementary level and Employees teaching in the lower and upper secondary level shall not be required to accept assignments outside of their assigned secondary level. This shall not preclude Employees selected by the Administration from volunteering for cross-level assignments.

(f) The term "supervisory assignment" does not include time spent on a voluntary basis by coaches or other interested personnel in assuring the smooth operation or functioning of any particular activity.

Section 3. Meetings involving all of the faculty and staff at any one building may be called by the Administration as required from time to time but such meetings will not last for more than 60 minutes or beyond 4:30 o'clock p.m., whichever comes earlier, but the 60-minute requirement shall not apply in those cases where school has been dismissed early in order to provide for additional meeting time. Neither shall the above time limits apply in the event those in attendance at the meeting voluntarily desire to continue the same in order to complete the business then being considered. Meetings extending beyond 4:00 p.m. should not be scheduled more than twice per month.

Section 4. When an Employee is required by the Administration to be present at meetings or conferences occurring outside the normal hours of building operation, the Employee shall be permitted time off either on that same day or on some other day mutually agreed to by the Employee and his/her building principal equal to the amount of time outside of the normal hours of building operation that such Employee was required to be present. This provision does not apply to Employees who are present at such meetings or conferences on a voluntary basis.

Section 5. Certified staff members who are regularly assigned to teach early morning classes at the high school shall be compensated for the time required to participate in Wednesday staff development activities that occurs after 3:30 p.m. Such compensation shall consist of a maximum of one-half hour paid at the Employee's per diem rate (calculated at the rates shown in Schedule B2 of the Contract).

Section 6. In the event that schools in the District are closed by the superintendent because of snow or other inclement weather, no Employee will be required to report for duty, but Employees may, if they so desire, voluntarily report for work.

ARTICLE VII
EMPLOYMENT AND ASSIGNMENTS

Section 1. Each Employee, who has a change in assignment for the forthcoming school year, shall be given written notice of such change as early as possible but not later than thirty (30) calendar days prior to the commencement of the school year, subject to further change if unanticipated conditions arise necessitating a change.

ARTICLE VIII
HEALTH PROVISIONS

Section 1. Physical examinations shall be required of all Employees in accordance with the requirements of the State of Iowa, Department of Public Instruction. Each Employee may select his/her own physician for purposes of such examinations and the results of the examinations will be submitted to the Board on a form prescribed by the Superintendent. The examination and the submittal of the form shall occur upon the Employee's initial appointment. The Board shall have no responsibility for the cost of required physical exams, the cost of the same to be submitted by the Employee through the group hospital and surgical insurance plan as set forth in Article XVI.

Personnel whose physical well-being may be in doubt in the opinion of the Administration shall present satisfactory examination results when requested to do so. The same examination form shall be utilized in this instance as is used for the regular routine examination.

All personnel shall be required to undergo a tuberculosis skin test examination at the beginning of service and the cost of which shall be borne by the Board. In the event of a positive skin test examination, the Board may require a follow-up x-ray examination, the cost of which will be borne by the Board.

Any Employee with a communicable disease will be excused from the performance of services for such time as may be necessary to effect a cure. During such absence, accumulated sick leave shall be applied.

ARTICLE IX
SAFETY PROVISIONS

Section 1. The Board shall provide each Employee with a serviceable desk and chair. The Board shall also provide non-prescription goggles or safety glasses in the shops area, without charge to the Employees. Employees will exercise due care for the proper safekeeping and maintenance of any safety devices furnished by the Board.

Section 2. An Employee who, in the course of employment, suffers a personal injury causing temporary total disability, or a permanent partial or total disability, resulting from an episode of violence toward that Employee, for which workers' compensation under Chapter 85 of the Iowa Code is payable, shall be entitled to receive workers' compensation, which the District shall supplement in order for the Employee to receive full salary and benefits for the shortest of the following periods:

- (a) One year from the date of the disability.
- (b) The period during which the Employee is disabled and incapable of employment.

An Employee shall not be required to use accumulated sick leave or vacation during such period of disability. The Board may require the Employee, as a condition of receiving benefits under this section, to provide a signed statement that justifies the use of such leave and, if medical attention is required, a certificate from a licensed physician that states the nature and duration of the leave.

Section 3. Whenever any civil action for damages is brought against an Employee arising out of the performance of the Employee's assigned duties, pursuant to Board policy, the Board shall, within the scope of the public liability insurance coverage carried by the Board, provide the Employee with a legal defense and with indemnification for actual damages assessed against the Employee, excluding any indemnification for punitive or exemplary damages. The Board agrees to continue to carry general comprehensive liability, legal liability and umbrella insurance coverage.

Section 4. Employees shall immediately report cases of assault suffered by them in connection with their employment to the building principal or other immediate supervisor and, at the Employee's discretion, to the police.

ARTICLE X
SENIORITY PROVISIONS

Section 1. When two or more applicants desire the same extracurricular position, including summer school positions, and skill, ability, qualifications and subject matter competence are relatively equal in the sole and exclusive judgment of the administration, seniority will prevail in the making of the assignment.

ARTICLE XI
SALARY AND EXTRACURRICULAR SALARY SCHEDULE

Section 1. The salary schedule shall be increased for the 2021-2022 school year by \$140.00 from a B.A. base of \$33,254.00 to a B.A. base of \$33,394.00. Employees (other than those in the 3 year and Doctorate lanes of the salary schedule) who have reached the top salary in their respective lanes of the salary schedule shall receive a supplemental longevity increment factor based upon the following:
