**JOIN US JULY 7TH, 2022
AT UNION GROVE LAKE, GLADBROOK, IOWA**

\$20 for a full day of activities | 8:30am-3:00 pm
For students who have completed grades 3rd-8th

IT'S TIME FOR AN ADVENTURE

Pick 5 classes for your child to take

CANOEING

Learn the basics of water safety and paddling. Must be comfortable in the water while wearing a lifejacket.

BE PREPARED TO GET WET! Wear a swimsuit!

BOW FISHING BASICS

It's a combination of archery and fishing!

Learn about bow fishing in Iowa, species to catch, and shooting fish targets along the shore.

PONDERING

Ever wondered what lives beneath the surface of a pond? Dig your nets in the mud and see what living creatures you can find!

NATURE PHOTOGRAPHY

Have fun learning new ways to photograph the outdoors.

NATURE ART

Toss aside the crayons and paper, let's get into the woods and find materials to make art! Participants will discover ways to create art using nature.

AIR RIFLERY

Come find out if you've got what it takes to "hit the target."

FISHING

Fishing is fun! Learn the basics of casting, lures & bait.

CAMP COOKING

Survive in the wild - learn the basics of cooking on a camp grill

PLANTING A CONTAINER GARDEN

Develop your green thumb and learn to grow own herb garden. Build the container from pallet wood and start your own garden!

PYROGRAPHY (WOOD BURNING)

Can you trace a picture? Can you draw with a pencil? Then you can learn the technique of pyrography, the art of wood-burning. Choose from a selection of nature scenes to trace onto wood and using a wood-burning tool, burn the picture into the wood.
