

# H.A.R.T. Harvesting For The Arts!

## Scholarship Application

Created 2020

If you need more space than provided to complete your application, please attach additional documents. Application must be filled out completely in order to be considered for a scholarship. **ALL** of the information stated below will be kept completely confidential with the H.A.R.T. Harvesting For The Arts organization files.

### **Please read the following information before filling out this application:**

#### **What are the qualifications of a H.A.R.T. Harvesting For The Arts scholarship recipient?**

A scholarship recipient must be a student in need who wishes to participate in an arts opportunity/ activity.

#### **What is the definition of a student who's 'in need'?**

The definition of a student who's 'in need' is a child/ young adult in grades K- 12 who is unable to provide finances for an opportunity or experience.

#### **What activities qualify for a H.A.R.T. scholarship applicant to be considered as a recipient?**

There are nine branches under the category of 'Arts:'

- Architecture
- Sculpture
- Culinary
- Painting
- Music
- Literature
- Dance
- Theatre
- Cinema

If your activity falls under one of these branches, you could be considered as a H.A.R.T. scholarship recipient. If your art form is not listed above, contact us via email ([harvestingforthearts@gmail.com](mailto:harvestingforthearts@gmail.com)) and we can discuss further details.

#### **Are there any rules in receiving a H.A.R.T. scholarship?**

\*H.A.R.T. isn't able to fund any arts through a student's education institution.

\*All scholarships must be used within the time that you are a K- 12 student.

EX: If you are a current 12 grader looking to apply for a scholarship to use towards college, you may not be granted funds because they would be used towards a time of which you are no longer in grades K- 12.

\*You must be a student who shows needs of financial support to apply for a scholarship.

\*Try to have a solid plan of how your scholarship will be used before submitting this form. A few factors to keep in mind are:

- When would I need my H.A.R.T. scholarship?
- Where will it go directly? **H.A.R.T. directly pays the vendors that support your project.**
- What other details could I take into consideration?
