

Free Trees for Kids

The Trees for Kids program of the Iowa Department of Natural Resources is offering **free** seedlings to schools, youth groups and clubs, individuals and communities across Iowa.

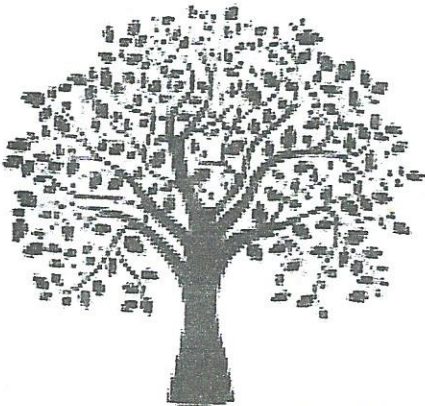

Trees Forever Marshalltown has ordered 25 each of these seedlings:
Red Oak, Hackberry, Shagbark Hickory, Black Cherry, Redbud, Red-Osier Dogwood, Wild Plum, Jack Pine.

These are all bare-root seedlings 15 to 20 inches long. Great to use as a wind barrier, along a fence-line, back yard boundary, wildlife habitat, or yard addition.

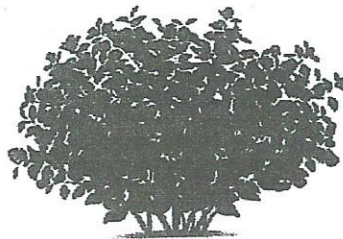

Contact Doni Sheldon at 752-6418 or donisheldon75@gmail.com with your name, the name of your school, or youth group and the number of seedlings of each kind.

**Seedlings will be available for pick-up:
Riverview Park red maintenance building
Saturday May 11, 2019 from 10am to 12 Noon.**

There are no restrictions on where the seedlings can be planted. Seedlings are limited to two of each species per individual, and 4 of each species per group until distribution day when more could be given. Planting instructions, demonstration, tree protectors, and stakes will be provided.
