Policy Title School Improvement Advisory Committee

Code No. 103.1

Page 1 of 1

The School Improvement Advisory Committee (SIAC) shall be appointed by the board to make recommendations. The advisory committee shall consist of members representing students, parents, teachers, administrators, and representatives from the local community, which may include representatives of business, industry, labor, community agencies, higher education, or other community constituents. To the extent possible, committee membership shall have balanced representation with regard to race, gender, national origin, and disability.

The board shall utilize the recommendations from the school improvement advisory committee to determine the following:

1. Major educational needs.
2. Student learning goals.
3. Long-range and annual improvement goals that include, but are not limited to, the state indicators that address reading, mathematics, and science achievement.
4. Desired levels of student performance.
5. Progress toward meeting the goals set out in paragraphs “2” through “4”.
6. Harassment or bullying prevention goals, programs, training, and other initiatives.

The board shall consider recommendations from the school improvement advisory committee to infuse social-emotional into the educational program.
