Policy Title Ad Hoc Committees

Code No. 203.4

Ad hoc committees may be appointed by the President of the Board of Education with Board consultation. The duties shall be outlined at the time of appointment.

An ad hoc committee is advisory in nature and has no duty or responsibility other than that specifically stated in the Board resolution. The committee shall automatically dissolve upon the delivery of its final recommendation to the Board or upon completion of the duties outlined in the Board resolution. The Board will receive the report of the committee for consideration. The Board retains the authority to make a final decision on the issue. The committee will be subject to the open meetings law if the committee is established by statute or if the committee makes policy recommendations and is established by or approved by the Board.

The method for selection of committee members shall be decided by the President and in the Board resolution. When possible, and when the necessary expertise required allows, the committee members will be representative of the school district community and shall consider the various viewpoints on the issue. The Board may designate a Board member and the Superintendent or designee to serve on an ad hoc committee. The committee will select its own chairperson, unless the Board designates otherwise.
