

Board of Directors

Series 300

Policy Title Board Self Assessment

Code No. 203.10

Page 1 of 1

The Board of Directors will conduct a continuous review of the operation and procedures of the Board for the purpose of assessing current level of achievement and set goals for their learning, growth, and focus.

The Board may choose to ask each board member to complete a board meeting assessment form, after each meeting. A more comprehensive Board self-assessment will be conducted annually. The comprehensive assessment may include input from central office administrators.
