Policy Title Retirement

Code No. 407.3

Licensed employees who will complete their current contract with the board may apply for retirement. No licensed employee will be required to retire at a specific age.

Application for retirement will be considered made when the licensed employee states in writing to the superintendent, no later than the date set by the board for the return of the employee's contract to the board, the intent of the employee to retire.

Applications made after the date set by the board for the return of the employee's contract to the board may be considered by the board if special circumstances exist. It is within the discretion of the board to determine whether special circumstances exist.

Licensed employees who retire under this policy may qualify for retirement benefits through the Iowa Public Employees Retirement System.

Licensed employees and their spouse and dependents are allowed to continue coverage in the school district's group health insurance program at their own expense by meeting the requirements of the insurer.
