Policy Title: Violence

Code No. 502.12

The Board of Directors of the Marshalltown Community School District believes our society should be free of violence and that the school should set a non-violent example for our children. We believe disputes should be resolved by peaceful means. We believe unnecessary depiction of violence in television, movies, print, and on line, should be discouraged. We believe the School Board and staff should be proactive of a non-violent society.

Fighting, assault, and other violent acts will be dealt with as serious offenses. If a student is involved in criminal offenses, law enforcement agencies will be contacted. Students may be taken to the police station, charged with disorderly conduct and referred to juvenile authorities.
