Policy Title School Sponsored Camps

Code No. 504.7

To promote quality programs and development of students in those programs, the Marshalltown Community School District may provide activity sponsors or teachers with District facilities for camps.

Camp directors and sponsors shall apply to the Athletic/Activities Director for approval of such camps. Prospective camp directors must be Marshalltown Community School District employees unless a special exception is granted by the superintendent. All camps must be run in accordance with the rules and regulations established by the Iowa Department of Education, and any special conditions imposed by the District. Administrators shall approve or deny camps based on needs of students and availability of facilities and appropriate supervision.

Date and facilities for camps must be approved by the Athletic/Activities Director.

Fees will be determined by the camp director after consultation with the Athletic/Activities Director. Fee waivers must be provided as specified in policy 505.7. Camp directors will provide a full accounting of revenue and expense to the Athletic/Activities Director. All proceeds will be deposited in the activities account.
