Policy Title Student Fundraising

Code No. 504.5

Page 1 of 1

Students may raise funds for school and non school-sponsored events with the permission of the principal. Collection boxes for school fundraising must have prior approval from the principal before being placed on school property.

Participation by students in charity activities is considered to be a desirable part of their total education. However, as a matter of basic policy, the Board of Directors will authorize the administration to determine the nature and extent of such activity.

It is the responsibility of the superintendent, in conjunction with the principal, to develop administrative regulations regarding this policy.
