Policy Title: Statement of Guiding Principles

Code No. 600

The Board of Directors of the Marshalltown Community School District recognizes its obligation and duty to provide an educational program equally available to all students that is free of discrimination on the basis of race, creed, color, sex, national origin, marital status, religion, sexual orientation, gender identity or disability of the School District.

In providing the education program of the school district, the board will strive to meet its overall goal of providing the students an opportunity to develop a healthy social, intellectual, emotional, and physical self-concept in a learning environment that provides guidance and encourages critical thinking in students.

The Board of Directors believes that all children should have the opportunity to be educated to the full extent of their abilities, aptitudes, capabilities, and interests through a program that recognizes and provides for the individual differences of all children of the School District. Innovation and change, based upon thorough research, study, deliberation, and evaluation, shall be encouraged. All educational experiences and activities in which students participate are directed toward full individual growth and development.
