Policy Title: Student Guidance and Counseling Program

Code No. 607.1-R1
Page 1 of 2

The board will provide a student guidance and counseling program. The program will assist students with their personal, educational, and career development.

In order to provide the students equal opportunities to participate in the counseling program, schools should consider the following factors...

I. Student with a disability

A. What procedures are in place to ensure that a child with a disability will benefit from the counseling program?

1. The counseling program will work with the Director of Special Services office to ensure that the necessary supports and services are in place, based on the needs defined in a child's Individualized Education Program (IEP). This may include, but is not limited to, the use of
 - a) assistive technology
 - b) an interpreter for a child with a hearing impairment
 - c) translation services

B. What procedures are in place to ensure that a child who is limited English proficient will benefit from the counseling program?

1. The counseling program will work with the Program Coordinator of English Language Learners & Migrant Services office to ensure that the
