This series of the board policy manual is devoted to the goals and objectives for the school district's noninstructional services and business operations that assist in the delivery of the education program. These noninstructional services include, but are not limited to, transportation and school lunch program. The board, as it deems necessary, will provide additional noninstructional services to support the education program.

The Marshalltown Community School District's Board of Directors shall, as it deems necessary, make provision for auxiliary services that will enhance the opportunity for all children to take full advantage of the educational program. It is the goal of the board to provide noninstructional services and to conduct its business operations in an efficient manner.

The Board of Directors recognizes that its primary purpose is to provide the best education possible within the limits of the established curriculum and the financial ability of the School District. The Board of Directors also recognizes its deep responsibility to the citizens of the School District for the efficient use of public funds. It shall, therefore, be the duty of the Board of Directors to determine guidelines for the most effective use of public funds and for reporting to the public.
