Policy Title: Death of a Student, Staff Member, Board Approved Counselor Board Director

Code No. 705.9

Page 1 of 1

The Board recognizes the fact that the Marshalltown Community School System is an organization of people. The success of this organization rests on the relationships among those associated with the district. Therefore, in the event of the death of a student, staff member, board approved council, or board director, the district will recognize and offer its condolences to the family of the individual deceased, which may include the purchase of flowers or a plant not to exceed the cost of \$100.
