

Buildings and Sites

Series 800

Policy Title: Objectives of Buildings and Sites

Code No. 800

The primary purpose of the Marshalltown Community School District's school building program is to provide means of achieving the educational objectives of the School District.

The Board of Directors shall have full and final responsibility for the selection of sites, employment of personnel, contracting for services, approval of plans, authorization, and acceptance or rejection of work done. All of these actions should be taken only by official resolutions based upon formal recommendations of its administrative staff at legal board meetings.

The Superintendent shall be responsible for organizing and coordinating the efforts of the various individuals and groups to best achieve the established educational objectives in the building program and for making resultant recommendations to the Board of Directors.
