Policy Title: School Facilities Surveys

Code No. 801.2

Page 1 of 1

It shall be the policy of the Marshalltown Community School District's Board of Directors upon the recommendation of the Superintendent of Schools to contract for the services of consultants and other resource personnel for the study of the needs of the school district's buildings and sites in providing the education program. The results of these services will be considered in planning the education program and in making decisions about the improvement and acquisition of additional buildings and sites. The needs for such special studies shall be anticipated well in advance so that budgetary provisions can be made.

It is the responsibility of the superintendent to make a recommendation to the board regarding the need for such services and who should perform such services for the board.
