Series 800

Policy Title: Facilities Safety Program

Code No. 804.1

The Marshalltown Community School District is dedicated to a healthy and safe educational and work environment. The District will comply with applicable state and federal laws and adhere to operating practices and procedures designed to prevent illness and injury.

The Superintendent will establish a District Safety Committee to develop and distribute safety protocols, to discuss unsafe working or learning conditions, and to seek remedial actions where necessary to resolve safety issues.
