Policy Title: Money Raising Activities in the Schools

Code No. 904.4

Fund raising activities must be approved by the Building Principal.

No agent or person or persons shall be permitted to solicit any student or teacher for any purpose, or distribute circulars, handbills, cards, or advertisements of any kind or make announcements of any nature, or take up contributions in any school building unless permission is received from the Superintendent of Schools or designee, as being in accord with the general policies of the Board of Directors.

Participation by students in charity activities is considered to be a desirable part of their total education. However, as a matter of basic policy, the Board of Directors will authorize the administration to determine the nature and extent of such activity.
