Marshalltown Community School District

USE OF SCHOOL FACILITIES – INDEMNITY AND LIABILITY INSURANCE AGREEMENT

The undersigned, hereafter referred to as “organization,” states that it shall indemnify and hold harmless the Marshalltown Community School District and its directors, officers, employees, and agents, collectively hereafter referred to as “district,” from and against any and all claims, liabilities, damages, losses, and expenses that may arise by reason of any negligence, violation of law or district policy/rules, or other act or omission on the part of the organization or its directors, officers, employees, or agents, or that may otherwise arise by reason of the use by the organization of any facilities owned by the district. The organization further states that in case any such action is brought against the district or any of its directors, officers, employees, or agents, the organization shall assume full responsibility for the legal defense thereof, and upon any failure by the organization to do so the district reserves the right to defend such action and to charge all costs, including attorney’s fees, to the organization.

The organization agrees, at its own expense, to furnish and maintain during its usage of the facilities owned by the district such bodily injury and property damage liability insurance as shall protect the organization and the district from claims for damages for personal injury, including accidental death, and from claims for property damages, which may arise by reason of the organization’s use of the district’s facilities, whether such operations be by the organization or by anyone directly or indirectly employed by the organization. Such insurance shall include the Marshalltown Community School District as an additional named insured in the policy carried by the organization and described above.

The organization shall furnish the district with a certificate of insurance acceptable to the district, before the contract for use of district facilities is issued. (Code No. 905.1-R2).
