Code No. 303.7

Page 1 of 1

The Board expects all administrators to continue professional growth by being involved in professional organizations, attending conferences, continuing their education, and participating in other professional activities.

It is the responsibility of the administrators to arrange their schedules in order to attend various conferences and events in which they are involved. Prior to attendance at an event, the administrator must receive approval from the superintendent. The administrator will report to the superintendent after an event.

As specified in the Iowa Educational Standards, the District will develop a three-year plan for administrative staff professional development. The Professional Development Plan will include goals and activities for the current year based on the current District Strategic Plan. The budget will specify funds for professional staff development.
